**Parent information for students having learning difficulties or may need Special Education  
Receipt of Handbook Sign-Off**

August 23, 2021

Dear Parents/Guardians:

Welcome to Burnet STREAM Magnet Campus! I am looking forward to a great 2021-2022 school year working with you and your child! The faculty and staff are also excited as a new school year begins. We want to meet each of you and work with you to make this the most successful year possible for your child.

Please read this Parent/Student Handbook to be more informed about your school and district. Keep it handy and refer to it when you have questions. Feel free to call the school if you have further questions. Please sign and return the last page that acknowledge receipt of this handbook along with the We will be sending a monthly newsletters home with events in which you and your child will want to be involved. Also, watch for letters from your child's teacher, the school office, and me to continue to be informed throughout the year.

Thank you for your support in your child's education at Burnet STREAM Magnet! Our goal is for your child to learn daily and make at least a year's academic growth every year. We appreciate your work at home as we endeavor together to meet this goal.

Sincerely,

Beatriz Rodriguez  
Principal

## **Burnet Mission Statement**

*Our mission is to create an innovative learning community that instills an enthusiasm for learning and discovery in a nurturing and supportive environment.*

**Parent/Student Information Burnet STREAM Magnet:**

The following information is provided to answer questions you may have regarding school procedures at Burnet STREAM Magnet. Topics have been arranged in an alphabetical manner. If there is a topic that has not been covered, please request information from the office personnel or make an appointment to speak with the principal.

**Absences**

Regular school attendance is extremely important to your child's education. Students are allowed to go to classrooms at 7:55. Breakfast is served in the classrooms from 7:55-8:15. All students are expected to be in their classrooms by 8:20 a.m. Students arriving after 8:20 will be considered tardy and must go to the office **with an adult** to sign them in for an admittance slip.

State law requires that students be in attendance 90% of the day's school is in session in order to be eligible for promotion. **Students not in attendance 90% of the school year are required to file a petition for credit at the end of the school year in order to be eligible for promotion.** Students failing to meet this 90% requirement at any time during the year may be required to make up this time by attending after school and/or Saturday tutorials, as well as summer school in order to be eligible for promotion.

Students absent more than five days without a doctor's excuse will be referred to a G.I.S.D. social worker and/or GISD Attendance Officer. Excessive absences as deemed by the administrator in charge of attendance may result in a referral to the court system for violation of the Texas Compulsory Attendance Law.

**Parents must send a note of explanation to the office within three days of a student's absence in order to be eligible for an excused absence. Parents may submit notes via Skyward if they prefer.** Absences will be excused for personal illness, death in the family, extreme weather conditions making travel to school hazardous, and religious holidays. If a note is not received within three days, the absence will be unexcused. **The note should be given to the Attendance Clerk when the child returns to school.**

Children arriving to school after 9:30 a.m. will be counted absent for the day unless they have a doctor's appointment note. Parents are encouraged to schedule appointments at times that will not affect your child's attendance. Official school attendance is taken at 9:30 a.m. However, please note that attendance is taken throughout the day at every scheduled period beginning at 8:15 a.m. until 3:55 p.m. Students who leave school for a doctor's appointment and return the same day with a doctor's note will not be counted absent.

Parents/guardians must provide a doctor's note for a student who is absent for more than 5 days. Children who have been hospitalized must bring a doctor's release upon returning to school.

Picking up students prior to regular dismissal time is extremely disruptive to the class and your child's education. Students will be marked absent for any periods missed for leaving early. Parents are encouraged to pick up students early only in extreme emergencies. Parents must go to the office to sign out a student leaving prior to regular dismissal. Parents will be asked to state the reason for early departure in order for the absence from class to be excused. **A valid ID is required to pick up a student early. A person other than the parent/legal guardian may also sign out your child if you have PREVIOUSLY designated them, in writing, as someone to whom we may release your child. Students will be released to parents or guardians for early release up until 3:30pm.**

### Agendas

Second, Third, and Fourth grade students will be given an agenda that will serve as a communication tool between the parent and teacher. Students will be required to write down homework assignments and reminders. **Parents must sign the agenda daily. This agenda may serve as a hall pass and is something students in 2<sup>nd</sup>-4<sup>th</sup> grades are required to have. Failure to have the agenda will result in loss of privileges such as recess, detentions, and lunch isolation. If a student loses an agenda, the student must pay \$5.00 to replace the agenda.**

### Arrival/Tardy

**The school day begins at 8:15 a.m. After 8:20 a.m., your child will need an admittance slip from the office. SCHOOL STARTS AT 8:15 A.M.**

Breakfast is served in the classroom between 7:55 a.m. and 8:25 a.m. We do not have supervision before 7:55 a.m. Unless your child is a bus rider, **we strongly recommend that children not be dropped off prior to 7:55 a.m. to ensure their safety. Supervision is not provided for students on campus before 7:55 a.m.** Burnet Elementary cannot be held liable for any harm that may befall a student who arrives at school prior to this designated time of 7:55 a.m. Students may enter the building at 7:55 a.m. **Please have your children to school on time. School starts at 8:15 a.m. Daily school announcements are made prior to 8:30 a.m.**

### Assignment of Students to Classes

The principal and staff are responsible for the assignment of a child to a class for each school year. Much effort goes into this process, and parents can feel assured that the best interest of the child is the main consideration. We appreciate your interest and input, but teacher requests cannot always be honored.

### Automobile and Pedestrian Traffic Safety

If your child walks or is dropped off, be sure your child crosses at the intersection and **NOT** in the middle of the block. Stress to your child the proper route to take to and from school and the importance of reporting directly to school and returning home immediately after dismissal.

Parents are reminded to drive slowly and carefully in the school zone for the safety of our children. **Parking is prohibited in the red fire zone at the front of the building, the driveway, and the bus zone.** Vehicles left in these areas are subject to towing.

**During dismissal time,** parents picking up children should stay in the car line and not exit your cars, pulling forward as appropriate. Double parking is not permitted. School security/personnel will monitor this.

### Birthdays and other Celebrations

We appreciate a child's desire to share his/her birthday or other special events for celebration. Designated school celebrations will be announced in the parent newsletter. Classroom treats (store bought cupcakes or cookies) may be brought to school and shared **after lunch only.** Birthday cupcakes or cookies must be passed out outside during recess or in the student's class per nutritional guidelines. Please let your child's teacher know when you plan to bring treats for the class. **Cupcakes must be left in the front office by the parent or guardian.** The cupcakes will be passed out by the teacher.

### Breakfast

Breakfast is served from 7:55 a.m. to 8:25 a.m. daily in the classroom. Children will not be allowed to bring outside breakfast, doughnuts/doughnut holes, or other types of snacks (potato chips, etc.) to eat during breakfast. Students arriving after 8:25 will not be served breakfast.

### **Bus Transportation**

Bus transportation is provided to all students, free of cost. The process for arranging bus transportation starts at the school level during registration for your child. If you need transportation for your child, you should ask about the proper forms during registration. To arrange transportation for your child, please contact our office at (409)761-6470 or the transportation department at (409)761-6175. No child will be allowed on the bus unless appropriate paperwork is completed. Once you are approved for transportation, you will be notified by the district Transportation Department about pick-up/drop-off places and times.

Bus-riding students must ride on their assigned buses each day. **Written notice must be given to your child's teacher when your child will not ride the bus. Students who are not eligible to ride the bus, may not ride the regular dismissal bus at any time.**

Inappropriate conduct on buses at any time, could/may end in suspension of bus privileges. After three discipline referrals from the bus, students may be suspended from bus services for a designated amount of time.

### **Bus Transportation: Extra-Curricular Travel Procedures**

If a disciplinary infraction occurs while in route to or from an extra-curricular activity, a disciplinary bus conduct report shall be forwarded to the director of transportation by the following day. A student's regular transportation privileges or transportation privileges to and from a school sponsored event, or both, may be suspended or revoked by the director of transportation and school administrators. During school-sponsored events, the supervising school sponsor, teacher, aide and/or coach is responsible for maintaining student discipline on school transportation. If a serious incident occurs on the bus, GISD or local law enforcement and the parent/guardian may be contacted at the discretion of the supervising staff member. Persistent misconduct on the bus will lead to suspensions from the bus and or permanent removal from the school bus. It will be the parent's responsibility to make arrangements for transportation if the student is suspended from the school bus. **Parents of young students must be waiting for the bus at the bus drop off when the bus arrives at the student's stop. Repeated failure to be at the bus stop waiting for young children will also result in the children being suspended from bus transportation services. It is the parents' responsibility to supervise students at the bus stops. School personnel will supervise students as they arrive to school and as they are placed on the buses.**

### **Candy, Snacks and Gum**

Candy and gum are prohibited. Students will be asked to discard candy and gum if they are found to be eating or chewing in the classroom. Snack foods are not to be brought or consumed without permission from the principal, teacher, or school nurse (for medical reasons only).

### **Cell Phones and Any Other Form of Electronic or Audio Device:**

Students are allowed to keep a cell phone in their backpack. The cell phone must be turned off between the hours of 8:15 a.m. and 3:55 p.m. Any cell phone that is turned on or in use will be picked up and sent to the office. Parents or guardians must pick up the phones from the office once they are taken up. The parents will have to pay \$15.00 to get the cell phones or any other electronic device that was confiscated.

### **Classroom/School Visitations**

Classroom visitations are welcomed. However, to avoid disrupting classroom instruction, we ask that you contact the classroom teacher and office to schedule your visit. Classroom visits for a long period of time is discouraged. Classroom visits are scheduled and are limited to 10 minutes. Upon

arrival at the school, all visitors must sign in and obtain a visitor's pass from the school office. Visitors will be required to show a valid I.D. If visits are numerous, a background check will be required. You will be escorted to the classroom. Parents may also choose to have lunch with their children. Parents must check-in at the school office, receive a visitor's pass, and then proceed to the cafeteria. Classroom visits are not permitted during testing days. (Classroom visit guidelines above may change or not be permitted due to COVID-19 in 2021-2022 based on District and CDC guidelines. More information will be forthcoming based on any new recommendations.)

### **Communication from the School**

There will be a Burnet Newsletter sent home monthly. This newsletter will be a source of communication between the school and the school community. Reminders about important school dates and other information will be included in this newsletter, along with information about school and class activities. Monthly activity calendars along with notes/letters from the teacher or principal also help you know what is taking place in the school. Your child's teacher will also send a home a "Peek of The Week" for you to be aware of what is going on in the classroom. Please read all correspondence as soon as possible. We want you knowledgeable and involved in Burnet Elementary

### **Concern/Issues**

If there are concerns/issues surrounding your child's academic progress, please arrange to meet or talk with the classroom teacher. Call the office for teacher conference times (409-761-6470). If you continue to be concerned after talking with the classroom teacher, please make an appointment to talk with the assistant principal or the principal. You may also address your concerns in writing to the classroom teacher and then the assistant principal/principal.

### **Conferences**

**You may also schedule a conference with your child's teacher at any time during his or her conference time.** Call the school at (409)761-6470 and leave a request for the teacher to return your call. You may suggest a date, day, and time. The teacher will return your call to confirm or discuss the conference request. Please give an indication of what the conference will address, so that the teacher can assemble information, examples, or other documentation. **If you are not contacted within a reasonable amount of time, please contact the assistant principal or principal.** Teachers must begin the academic day at 8:15a.m. Please refrain from conferencing with the classroom teacher when dropping off your child in the mornings.

### **Discipline**

Burnet will follow the discipline policies and procedures that are explained in the GISD "Student Code of Conduct" that can be found on the district website. Please read this handbook with your child and discuss privileges and consequences with him/her. A paper copy can be given to you upon request.

The teacher may communicate concerns for inappropriate behavior by telephone conferences, written communication, or a request for a conference. Please respond quickly to these requests when and if necessary. We want to ensure the success of your child. A quick response to inappropriate behavior helps to keep a child moving in a positive direction. Student discipline referrals may result in parent contacts, conferences, lunch detention, student in-school suspension, out-of-school suspension, or other administrative actions as stated in the GISD Student Code of Conduct. Please note that if a student is given lunch detention or in-school-suspension, they will receive a nutritionally approved sack lunch from the cafeteria.

### Dismissal

Pre-kindergarten students are dismissed at 3:40 p.m. All children from K-4th grade are dismissed at 3:55 p.m. **Parents are responsible for making arrangements for children to be picked up promptly at dismissal time.** We do not have staff on duty to supervise children after dismissal. Cases in which children are repeatedly picked up late will be referred to a Social Worker, Child Protective Services (CPS), or GISD Police. Failure to pick your child up on a continuous basis could be viewed as neglect. When making other arrangements for your child at dismissal, please communicate your arrangements to the teacher in writing, not by phone, to the school. **These arrangements should be communicated prior to the 3:15pm.** Dismissal changes must be made in writing, and requests over the phone will not be accepted. Failure to pick up your child by 4:10 p.m. and our inability to reach anyone by phone will result in GISD Police contact.

### Dress Code:

All students attending Burnet Elementary are required to wear a school uniform. Uniforms consist of Royal Blue or White polo-style shirts with a collar for students in PK-4th. Khaki, black, or blue jean pants, skirts, skorts, shorts, capris, or jumpers for all students at Burnet are required along with closed-toe shoes with backs. Khaki, black, or blue jean pants must be worn at the waist; no oversized pants. Khaki, black, or blue jean skirts, khaki or black skorts, shorts, or khaki and black jumpers must be no shorter than 2 inches above the knee. Bottoms should not have holes, or rips, and they must be logo/decoration free. Necklaces are discouraged for girls (to avoid injury, loss, or theft) and are prohibited for boys. We want to keep our focus on academic work and learning. Both girls and boys may wear watches, but any noises or alarms made by a watch must be turned off at all times. Distracting hair styles/colors will be prohibited. **Only plain headbands without ears/horns are allowed. The uniform policy will be enforced.** During colder weather students may wear jackets, sweatshirts, or sweaters that are Royal Blue or White with no hood or pockets and must be worn over a uniform shirt. If a student violates the dress code policy, they will be put in in-school-suspension for the day or put in lunch detention each day until they adhere with the dress code. (Lunch detention means sack lunch, no talking, and no recess for each day the student is assigned)

### Early Pick-Up or Dismissal

Any child leaving before the end of the school day must be signed out through the school office by a parent or legal guardian. A picture ID is required for verification. **A person other than the parent/legal guardian may also sign out your child if you have PREVIOUSLY designated them in writing as someone to whom we may release your child.** This information is collected at the time of registration and may be updated, in writing, at any time through the school year. Any changes in a student's transportation home must be sent in writing with the student prior to dismissal. Last minute changes are extremely difficult to verify so please plan ahead. We hope you can understand that our first concern is always the safety of your child. The latest time a child may be picked up for early dismissal is 3:15.

### Emergency Medical Treatment

Parents shall complete an emergency care form each year that includes a place for parental consent for school officials to request medical treatment for the child, as provided by law. Parents are also asked to supply other information that could be required in case of an emergency; parents should update information as often as necessary.

### Entrances

The front door to the building will be opened at 7:55 a.m. All entrances to the building are locked except for the entrance by the school office. Visitors to the school should **always** enter and exit through this entrance and check in at the office. **No parent may walk to the classroom without**

**a visitor's pass.**

### **Field Trips**

State law prohibits children from attending field trips without **written permission** from parents or guardians. Please remember permission slips must be signed and returned to the teacher prior to the field trip day. Parents/guardians arriving to assist with field trips must sign-in at the office **before** proceeding to the classroom and must have completed the *Criminal History Background Check*. Field trips may be related to academics or scheduled as a reward trip.

**Children will not be allowed to call home on the day of the field trip to receive parental permission. Signed, faxed or scanned, permission slips are permissible.**

### **Homework**

**Classroom homework will be assigned Monday through Thursday.** Occasionally, homework will be assigned over the weekend. Please consult the teacher anytime you may need an explanation regarding a homework assignment. Reading and math facts practice should occur every night at home. Parents/guardians are requested to supervise or assist their child for 20 minutes each evening with a reading/writing assignment and practice memorization of math facts.

### **Honor Roll and Other Awards**

“All A” Honor Roll:

The student must meet the criteria for promotion for his/her grade level or Individual Educational Plan and receive all A's in all subject matter to be on the “All A Honor Roll”. Conduct and behavior grades must be satisfactory or above in all areas.

“All A/B” Honor Roll:

The student must meet the criteria for promotion for his/her grade level or Individual Education Plan and receive at least one A and the rest of the grades no lower than a B in order to be on the “A/B Honor Roll”. Conduct and behavior grades must be satisfactory or above in all areas.

“Citizenship Awards”:

All students may qualify for a citizenship award if they receive only E's and G's in all areas of their report card (nothing lower in any area.)

“Perfect Attendance Awards”:

Perfect Attendance Awards are given at the end of the year. A student must be on time each day to receive this award.

“Incentive Awards”:

Student incentives will be used to encourage appropriate behavior, academic achievement, and academic progress. These incentives will be determined by classroom teachers and by our campus staff. Examples of ways to earn incentives are: completing five days of homework, perfect attendance, honor roll, improvement in academic achievement or improvement in conduct, etc.

### **Late Arrivals**

Children arriving after 8:20 a.m. are tardy. After 8:20a.m., your child will be required to obtain a Tardy Slip from the office in order to enter class. **A parent/guardian must accompany the child into the building to sign in their child. A child may not come in after 8:20a.m by themselves.** Failure to comply may result in a CPS or G.I.S.D. Police contact.

**Lost/Found Items**

Lost and found items will be put into the Lost/Found box located in the front office. Please check the front office if your child should lose something during the school year. Labeling your child's coat, backpack, etc. will help cut down on losses, and items will be returned to you more easily.

**Lunch**

Students may bring their lunches from home or eat provided lunch at school for no charge this 2021-2022 school year. Additional entrees, milk, water, juice and a number of snacks may be purchased for an additional charge. For health considerations, please instruct your children not to pass food or drinks between one another. Parents may eat lunch with their child during their scheduled lunchtime once parents sign in at the front office and obtain a Visitor's pass. Parents may only visit with their children during lunch in the cafeteria. (Lunch room visitor guidelines above may change or not be permitted due to COVID-19 in 2021-2022 based on District and CDC guidelines. More information will come based on any new recommendations.)

Cost of school lunch for teachers and visitors (including children): \*\$3.75

Please log in to the GISD Nutritional link that follows for detailed information about breakfast, lunch and/or to add money to your child's lunch account. The link is: <https://www2.mypaymentsplus.com/welcome>.

**Nurse Referrals and Student Medications**

Teachers make referrals to the nurse when a child appears sick or exhibits characteristics of illness: fever, vomiting, or inability to stay awake. Any and all medications that are prescribed for a child must be given to the nurse for disbursement. The medications must be in the original prescription bottles or containers. We must have a signed physician's order in order for the nurse to disperse your child's prescription medication. Make an appointment with the nurse to discuss any special situations that may affect your child. Do not allow your child to bring medication in their pockets/purses. Any and all medications, including over the counter items, must be brought to the school nurse by the child's parent/guardian.

**Parent-Teacher Organization (PTO)**

Plan to become a member of this group and participate in the activities that are planned through the various committees. Your membership supports your child's educational success and keeps you up-to-the-minute on school happenings. Sign up to be a volunteer even if you are unable to attend PTO meetings.

**Personal Belongings**

To assist your child in identifying his/her school supplies and clothes, please label or mark the items with the child's name. Cards, jewelry, electronic games, dolls, and other toys or items such as these are not permitted. Please make sure that these are left at home. If these are confiscated from a child, the parent/guardian may pick them up. Repeated confiscation of items will result in their being returned on the last day of school.

**Physical Education Participation**

All children are required to participate in physical education classes unless they bring a note from their parent/guardian or doctor. The note should be given to the school nurse who will furnish a copy to the physical education teacher. Students must wear rubber-soled tennis shoes to participate in physical education. This is for your child's safety, as well as to preserve the gym floor.

**Reading and Math Program**

Balanced literacy and math are each taught in a 90-minute block daily. Parents are urged to ensure that their child is in school by 8:15 a.m. in order to be ready for reading and math. Please avoid scheduling appointments during the students reading and math periods. Any time taken away from these programs will have a negative impact on your child's success in academics. Read to or with your child as often as possible. Give your child many opportunities to read to you. We recommend at least 20 minutes of reading per night and reviewing basic math facts daily.

**Student Data**

We ask that all student information be kept updated at all times. Written notification of changes in address, phone number, or other information should be submitted to the school office as soon as possible. This will assist us in case of an emergency and ensure that your child is handled properly and according to your wishes.

**Take Home Folder**

Each week, Burnet STREAM Magnet K-4th students, will bring home a "take home" folder. This folder may contain graded papers, teacher's notes, completed work, announcements, field trip permission slips, and the school's newsletter. Parents are expected to ask their children for this folder each week. This will be one way of communicating with each of you. Each parent should review the binder's contents, take the appropriate action, and return requested papers and the binder on the following school day. Burnet STREAM Magnet 2<sup>nd</sup>-4<sup>th</sup> graders will be issued an organizer. Parents will need to check the organizer for assignments due and for homework to be completed each day. Please sign the organizer each day to help your child become organized and successful in school.

**Tardies**

Children arriving after 8:20 a.m. are tardy. After 8:20 a.m., your child will be required to obtain a Tardy Slip from the office in order to enter class. A parent/guardian must accompany the child into the building to sign in their child. A child may not come in after 8:20 a.m. by themselves. After five tardies, the truant officer will be notified. Students may be assigned after school detention or Saturday school to make up time lost.

**Telephone Usage**

As a general rule, students are not permitted to use school telephones. In cases of an emergency, a school employee will call you on your child's behalf.

**Visitors**

Visitors must go directly to the office, sign in, and receive a Visitor's badge before walking in the building. Classroom visits for parent observations are limited to 10 minutes. Your visit will be announced to the teacher or you will be escorted to the classroom. Visitors may not interrupt the teacher. Parent/teacher conferences are scheduled during non-academic times. Administration reserves the right to limit classroom visits. Any other needs can be addressed by office personnel. We will relay information and forgotten items without disturbing the learning environment. Your cooperation is greatly appreciated. Parents may also have lunch with their child by signing in and receiving a Visitor's badge. Visitors must return their badge to the front office and sign out before leaving the building.

(Classroom/Lunchroom visit guidelines above may change or not be permitted due to COVID-19 in 2021-2022 based on District and CDC guidelines. More information will come based on any new recommendations.)

**Volunteering**

Please try to donate an hour, a day, or any portion of time to volunteer on campus. Your expertise

in a specific field would make a great “guest speaker” time in your child’s classroom. Your helping hands in assembling flyers for take home folders would be very much appreciated. Please sign-up during the first PTO meeting of the year or with your child’s classroom teacher to be an active part of your child’s school by volunteering. If you would like to donate your time, please complete the Criminal History Form and return it to the school ASAP. All volunteers must go through this process. If you want to chaperone a field trip, you must turn in the Criminal History Form as well.

### **V-Soft**

To ensure the safety of all our children, adults must bring a valid ID when visiting a student, picking up a student early, assisting in the classroom, field trips, or bringing in a student late. The ID will be scanned and entered into the electronic system.

*\*\*The requirements, programs, fees, policies, and all other subjects covered in this publication may be changed without notice. Users of this publication should contact school district representatives to learn the current status of matters covered herein. # APPENDIX

## Options and Requirements

### For Providing Assistance to Students Who Have Learning Difficulties or Who Need or May Need Special Education

If a child is experiencing learning difficulties, the parent may contact the person listed below to learn about the district's overall general education referral or screening system for support services. This system links student to a variety of support options, including referral for a special education evaluation. Students having difficulty in the regular classroom should be considered for tutorial, compensatory, and other academic or behavior support services that are available to all students.

At any time, a parent is entitled to request an evaluation for special education services. Within a reasonable amount of time, the district must decide if the evaluation is needed. If evaluation is needed, the parent will be notified and asked to provide informed written consent for the evaluation. The district must complete the evaluation and the report within 45 calendar days of the date the district receives the written consent. The district must give a copy of the report to the parent.

If the district determines that the evaluation is not needed, the district will provide the parent with a written notice that explains why the child will not be evaluated. This written notice will include a statement that informs the parent of their rights if they disagree with the district. Additionally, the notice must inform the parent how to obtain a copy of the *Notice of Procedural Safeguards - Rights of Parents of Students with Disabilities*.

The designated person to contact regarding options for a child experiencing learning difficulties or a referral for evaluation for special education is:

Contact Person: Beatriz Rodriguez -Principal

Phone Number: 409 761-6470

District Contact: Jessica Edwards

Phone Number: (409)766-5188

# Acknowledgement of Receipt of Student/Parent Handbook

I have received a copy of the Student/Parent Handbook for Burnet STREAM Magnet. I have reviewed the contents with my child.
